

# Learner Notification

---

American Psychosomatic Society  
2022 APS Annual Meeting  
March 23, 2022 - March 26, 2022  
Long Beach, CA

## Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

## Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

## Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

## Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and American Psychosomatic Society. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## Physicians

Amedco LLC designates this live activity for a maximum of 29.25 *AMA PRA Category 1 Credits<sup>TM</sup>* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Psychologists

Amedco LLC designates this activity for a maximum of 29.25 psychologist contact hours.

## Objectives - After Attending This Program You Should Be Able To

1. To describe state-of-the-science advances in understanding of the biobehavioral pathways by which psychosocial and sociocultural factors influence differences in disease risk and resilience.
2. To highlight understudied populations and emerging disparities issues as a means to improving national public health.
3. To disseminate breakthroughs in interventions to promote health equity, identifying the mechanisms by which these interventions work and clinical diversity in terms of for whom an intervention is most effective.

## Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each

individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.
