

### **SIG Meeting - Psychosocial Well-Being and Health**

The field of psychosocial wellbeing and health has been rapidly expanding, and this expansion has led to a number of new and exciting future directions. The goal of this roundtable is for participants to have the opportunity to engage in thought-provoking discussions surrounding future directions in this field. Future directions that will be discussed will include the consideration of diverse populations and new methods of wellbeing measurement. We hope that this roundtable will help bring together members of the Psychosocial Wellbeing and Health SIG and spark collaborations on these topics.
